OUR MISSION

SUPPLY INDIVIDUALLY BOXED MEALS, BAGS AND BUFFET BOXES TO SUIT ALL TASTES AND BUDGETS FOR SAFE, EFFICIENT, QUALITY CATERING SERVICE FOR CORPORATE MEETINGS AND EVENTS.

We are a specialist caterer producing individually boxed meal bags, buffet boxes, salad and pasta salad boxes, and afternoon teas. Designed to suit all tastes, budgets and event specifications.

We are unique in the fact that we only offer these individual Bento Style catering options. All the options have been tried and tested over the last few years and have proved extremely popular catering solutions for meetings, training events, lunch, working lunches, team building days and other corporate events

They are quick to serve, efficient and great value with the added bonus of zero food waste and more environmentally friendly.

www.chefdelamaison.co.uk

To provide safe, consistent meal boxes and bags to the highest level of food safety and virus protection. Food shall be supplied in specially sourced individual boxes for corporate and events catering, which enable companies to comply with due diligence, new allergen laws, whilst protecting staff and visitors from virus spreading. We shall continue to comply with all health and safety and food hygiene regulations, and ensure a smooth and efficient service.

OUR MISSION STATEMENT

WE TAKE OUR FOOD SERIOUSLY

We pride ourselves in our 5* Food Hygiene Rating.

You can be rest assured that when booking with Chef de la Maison, you are getting great quality, fresh, safe food and superb customer service at all times.

FOOD ALLERGIES AND INTOLERANCES

We can provide catering for all dietary requirements. Please ask for more information about the ingredients in your meal, when making your booking.

BENEFITS

A pair of hands with dark nail polish is positioned in the lower-left quadrant of the page, with the fingers curled to form a heart shape. The background is a lush, green lawn.

OUR CORPORATE SOCIAL RESPONSIBILITY HAS BEEN EVALUATED AND WE ARE WORKING ON GOING GREENER!

- ✓ We use Eco-friendly / recycled packing
- ✓ Recycle food waste
- ✓ Reduced carbon footprint – less driving to collect platters and plates
- ✓ Reduced water usage – no washing platters and plates
- ✓ Easy clean-up after meetings and events
- ✓ Safe and quick to serve boxes – each person has their own box with everything they need to enjoy their lunch safely
- ✓ No queuing for people to choose what they would like to eat

COVID AND VIRUS SAFE

High level of food safety, it's impossible to put sneeze guards up for buffets and it's impossible to control who washes their hands when they have been to the bathroom or come straight from that seminar or training event or meeting and gone straight to that buffet table without washing their hands.

COMPLIES WITH HEALTH & SAFETY GUIDANCE

High level of food safety, your food has not been handled by multiple people, or left open for contaminants or germs.

Zero food waste as boxes and bags can be taken away with you once training or meeting finished.

Meeting due diligence to protect your guests, visitors and staff in your business. High level of duty of care in supplying individual boxes.
